Crook and Co., have the best line of fencing in town. Call and see it.

Edna Holland was a Lincoln visitor Saturday.

Do It Now.

Here's a simple little motto
'Twill pay you well to know.
As you plod along life's highway,
It will help you as you go.
If you meet some worthy brother
With deep care marks on his brow,
And he asks of you assistance,
Heed his cry; and DO IT NOW.
There are little tasks about you
Every day, that should be done.
They are lying 'round your pathway
From morn till setting sun.
Hearts are aching, hearts are breaking;
Fellowmen in anguish bow,
Crying out to you for succor;
Would you help them? DO IT NOW.
We place roses on the coffin
Of our fellowman, when dead,
But while living we abuse him,
Pressing thorn crowns on his head.
Let us change our mode of action,
And put rose crowns on his brow;
Make him feel that life's worth living,
Let's begin to DO IT NOW.
—Ferd. Pongeon.

80 Acres 5-1/2 miles N. E. Falls City. Will consider land farther west.

80 Acres 1-1/2 miles South of Shubert. Well improved.

80 Acres 5 miles South of Salem. Good.

344 Acres 3 miles Depot, this County. \$3,000 Improvements \$50 per acre.

375 Acres Jackson County, Kansas. 1-1/2 miles of Depot. Will take an 80 or 160 as part pay.

630 Acres Franklin County, Nebraska. Will sell good terms. Might take some other property. Lands in various localities to sell or exchange.

Loans made on farms—Low rates—Optional Payments.—Henry C. Smith.

School Exercises.

The Thanksgiving exercises at the schools were most elaborate and interesting ever given in Falls City. There were nearly one hundred visitors all of whom were well repaid for the visit. The schools of Falls City are the equal of any in the state and are a source of great pride to all of our people. The Tribune would urge all parents to take a sufficient interest in the welfare of their children to visit the schools occasionally.

It is an inspiration to the children and will do you good.

RECTOR OF ST. LUKE'S.

Ashturnham, Ontario. Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once produced a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-send remedy. Respectfully yours,
E. A. Langfeldt, M. A.,
Rector of St. Luke's Church.

This remedy is for sale by A. G. Wanners.

COLDS THAT HANG ON

So frequently settle on the lungs and result in Pneumonia or Consumption. Do not take chances on a cold wearing away or take something that only half cures it, leaving the seeds of serious throat and lung trouble.

FOLEY'S HONEY AND TAR

Stops the Cough and heals the lungs and prevents

Pneumonia and Consumption

Consumption Threatened

C. Unger, 211 Maple St., Champaign, Ill., writes: "I was troubled with a hacking cough for a year and I thought I had consumption. I tried a great many remedies and I was under the care of physicians for several months. I used one bottle of FOLEY'S HONEY AND TAR. It cured me, and I have not been troubled since."

Cured Hemorrhages of the Lungs

A. M. Ake, Wood, Ind., writes: "Several years since my lungs were so badly affected that I had many hemorrhages. I took treatment with several physicians without any benefit. I then started to take FOLEY'S HONEY AND TAR, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble."

Three Sizes—25c, 50c, \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much. REFUSE SUBSTITUTES.
